Subject: Appointment as Web development Intern

Dear Prince,

Following the evaluation of your prospecting potential and your understanding of the digital landscape, we are pleased to officially appoint you as a Full stack web developer Intern at the Idea Company, supporting the growth of our Agency and Institutional wings. In this role, you are the engine of our revenue funnel. Your ability to identify and qualify high-value clients is what sustains our mission of providing interest-free aid and building the next generation of executors.

Internship Details

- Role: Web development intern
- Commencement Date: 16th March
- Duration: 3 Months (Intensive Sprint)
- Reporting Authority: CEO, Anantrajsingh Baghel
- Mode of Work: Remote (Flexible Hours)
- Stipend: Performance-Based (As per Foundation policy)

Roles and Responsibilities

Your primary objective is to fuel our sales pipeline through the following:

1. Internal Tools: Develop and maintain proprietary dashboards for lead tracking, hackathon management, and institutional data.
2. MVP Prototyping: Collaborate with the Founder's Office to turn "Idea Blueprints" into functional MVPs within 48-hour sprints.
3. Performance Optimization: Ensure all web assets achieve 90+ scores on Google Core Web Vitals.
4. Code Audit: Support the technical evaluation of submissions during our Startup Hackathons (GitHub audits).

Stipend & Evaluation

Your performance will be reviewed strictly on a weekly basis based on: Punctuality, Communication Clarity, Form Completion Rate, and Initiative.

Lump-sum Stipend: Issued upon successful completion of the 3-month term for a rating of 3.0 or above.

-

Monthly Stipend: Eligible for interns maintaining an exceptional rating of 4.0 or above.

No stipend for rating below 3.
